3. NOTABLE ACHIEVEMENT

- There was notable improvement in waste management service delivery in the month of July due largely to the commencement of new operational and administrative strategies put in place on Lagos Island, Oyingbo, Alaba Rago, Mile 2 and Ajah
- There was appreciable reduction in the complain on PSP services during the month due to improvement in public awareness on citizen’s obligation on waste storage and the introduction of the CDA’s intervention services within areas of prevalent/persistent complains
- Construction work at Agege TLS made appreciable progress after final resolution of the legal issues, the metroline right of way and approval in principle by the Ministry of Physical planning

3Cs’ Project at Ilaje, Bariga in collaboration with WAMASON

- Interim report on the Epe Integrated Waste Management Facility was submitted for review by the consultant Messrs Conserdem Engineering Limited on 16th July, 2012
- The 3rd phase of Community Clean-up Campaign commenced at Ilaje Bariga in collaboration with Waste management Society of Nigeria(WAMASON) on the 27th July, 2012

4. OBSERVATIONS AND CHALLENGES

- Use of refuse to reclaim land for settlement along the shoreline is still prevalent around Ilaje Bariga & Oworonshoki. LAWMA marine police outfit is addressing the challenge
- High rainfall recorded in the month of June & July resulted in partial damage of the tipping platform in all the landfill sites. This resulted in poor turn-around-time in June but proper mitigation in July for improved service by the transfer loading station(TLS)
- Retaining the WAPA sweepers at Alimosho has been challenging due to lack of full payment to the sweepers
